## New Ideas for a New Year!

We are thrilled you have picked up a copy of “the Buzz”. The last year has shown us just how important it is to be a community and keep in touch with each other through hard times and restrictions. “the Buzz” hopes to bring you snippets of news from around the parish and keep you up to date with what’s going on in the All Saints community. We would love to have you participate, share your news and pictures and help keep up the community spirit!

### Australia Day Barbecue at Friends for Lunch

The aroma of sizzling sausages, rissoles, bacon and eggs wafted through the air at lunchtime on Australia Day, 2021, as the soup kitchen initiative, ‘Friends for Lunch’, geared up

for a mouth-watering barbecue. Manning the grill was Ken, while Megan and team served up a mix of delicious salads and Tanya put together perfectly portioned pavlovas. Visitors and volunteers spread out under the trees on the lawn and enjoyed the hearty meal, cool breeze and warm conversation—while, of course, maintaining social distance!

# Bishop Murray's Visit

Bishop Murray visited us on January the 31st, which was also celebrated as Vocations Sunday. It was a time of reflection about God's call in our lives and our response to it. Jane led the congregation with music and apt, thought-provoking hymns.

Margaret and Michael (below) have joined us recently, but are already lending a hand and getting involved

## A Covid-safe Cuppa

In these Covid times our church is doing its part to stay safe and look out for one another. As peculiar as it is to fellowship 1.5 metres from each other, we have been sitting apart, cleaning our hands and following Covid protocol, albeit with several helpful reminders! Thankfully it doesn't make the tea any less appetizing or the conversation any less lively!
