Ash Wednesday 2021

The Ash Wednesday service this year was conducted by Rev. Chris Elliot from Wauchope, who attended with his wife, Jenny. It was a time of reflection as we began the season of Lent.

Learning from Locums

In the absence of a permanent Rector, we have had a few locums conduct our Sunday services. It has been a unique time of experiencing a variety of perspectives and stories. Rev. John Barrett and his lovely wife, Valmai, have been with us through February. We have enjoyed their fellowship and learning about John's interesting journey from pharmacist to mayor to priest!

To keep up with Covid safety protocols we have temporarily done away with books during Sunday services. Instead, the overhead projector, usually manned by Garry, helps us through the service.

Covid

has encouraged us to do things differently and to be creative and resilient.

The AGM 2021 panel performing their duties with much solemnity on Feb 28. More details in the next issue about our new Parish Council members.

Do you have news or ideas about what you would like published here? We would love to hear from you.

Naomi

Bett and Brian Calvert visited us on Feb 28. It was wonderful to have them worship with us at the Sunday service after a long time.
